A ship is a massive thing and the passenger variety is usually filled to overflowing with happy, carefree passengers. Therefore, the choice of a ship theme for the 1952 Spectrum was obvious. Jefferson high school, too, is massive, and for nine months of the year, it, too, is filled with passengers, though not always happy and carefree ones.

Now that you've received your passport, let us take you on a picture-tour of a year's journey on the S. S. Jefferson.

Arlene,

I wish you all the luck and happiness possible in your remaining years here at Jeff. You are a swell gal and I admire you very much because I have never seen you get overly excited and mad. (I have a temper) Loads of love and love. Joyce Anderson.

During its forty two-year history Jefferson High School has excelled in every field of endeavor, including scholarship, music, citizenship, and athletics. It has produced men and women who are now the leaders in their respective vocations. Its athletic teams have won so many championships that the very name Jefferson is now synonymous with being tops in the sports world.

Our school is noted for its democratic spirit and is very fittingly named after one of our nation's most famous leaders, Thomas Jefferson. He, during his lifetime, advanced the causes which we the students of Jefferson High School are now trying to achieve in our own small way.

Every present and future Jeffersonian has a great tradition to live up to, for they who follow in the footsteps of the alumni must at all times strive to reach as high a goal as have others in the past.

We of the Spectrum staff feel it is now time to stop, think of the past and plan for a greater future.

WITHIN the hearts of everyone there is a pride which comes with the knowledge that we belong to the same school from which so many successful people have graduated. To be successful we do not have to be outstanding in a particular field; but we must live a good life, must be considered of high moral worth and must be respected by those with whom we associate. In other words a good citizen is a successful person. All of us can be good citizens.

Today the responsibility for continuing Jefferson's reputation is being placed directly upon the shoulders of you graduates. By your deeds and actions our school is measured. Your outstanding achievements and your good citizenship will be reflected in the glory of the school.

We who remain at Jefferson know that throughout life you will maintain "Jefferson's High Standards."

Mr. C. L. Jones

Our Captain

Jefferson High School offers to each student the opportunities to secure the fundamentals of a fine education. The student body organization and activities permit each person to participate in democratic cooperative undertakings. Each may develop individual abilities and talents while serving the school and his fellow classmates. Friendliness is the keynote of all relationships. The Jefferson Spirit that becomes part of our very being is the culmination of our efforts.

—Miss Dorothy Flegel

Jefferson High School aims to provide a four-year period of satisfying experiences that will serve as an effective background for another period of up to fifty years of successful living in this or another community. The understanding, the responsibility, self control and spirit of cooperation that are developed day by day in this and similar institutions will surely determine the limitations of that life.

It is my sincere hope that the present high school generation will be the one to realize that by careful planning and vigorous "follow through," the future can be made.

—Mr. L. C. Campbell

PRESIDENT'S MESSAGE

Now that graduation has become a reality instead of a dream and our high school career at Jefferson is at an end we pause to evaluate what we, the senior class of 1952, have accomplished as members of Jefferson's society.

We like to think that in some small way we have added to the wonderful spirit and tradition that is Jefferson. We are proud and fortunate to have had the opportunity to accept its principles of democracy and citizenship. The world before us is war-torn and unsettled, but armed with the valuable experiences, scholastic and athletic, that Jefferson has offered to us, we face the future with confidence.

We wish to thank sincerely the administrative staff, the counselors and the teachers, whose guidance and untiring patience will never be forgotten.

RON PUE.

Class Motto: Today we work, for tomorrow is ours.

Class Colors: Green and white.

CLASS SONG

Music: Halls of Ivy
Words by Mary Ellen Kennedy

Our Jeff we'll all remember
As we live through future years;
The life-long friends we've made here,
And the joys, the laughs, the tears.

Her name will linger always,
Though we have bid adieu,
With mem'ries of her standards
And her colors gold and blue.

Some day a hush will fall.
The footsteps of us all
Will echo down Jeff halls and fade away.
But as we sadly start
Our journeys far apart,
A beat from every heart with Jeff will stay.

From immortal halls we part now,
And our voices disappear,
But through the years we'll sing our praise
To Jeff our school so dear.

Doing his darndest to look dynamic is Ron Pue, Outstanding Boy Leader.

The things that go on

The freshmen picked a pert lass and a lordly lad for king and queen. . . .

Last fall the dramatics department had a big time with a clown who insisted on running away

*Dear Madeline
It was wonderful
working with you
on the project. I truly
admit you are know-you will
go along your friend always
Honey
Myky*

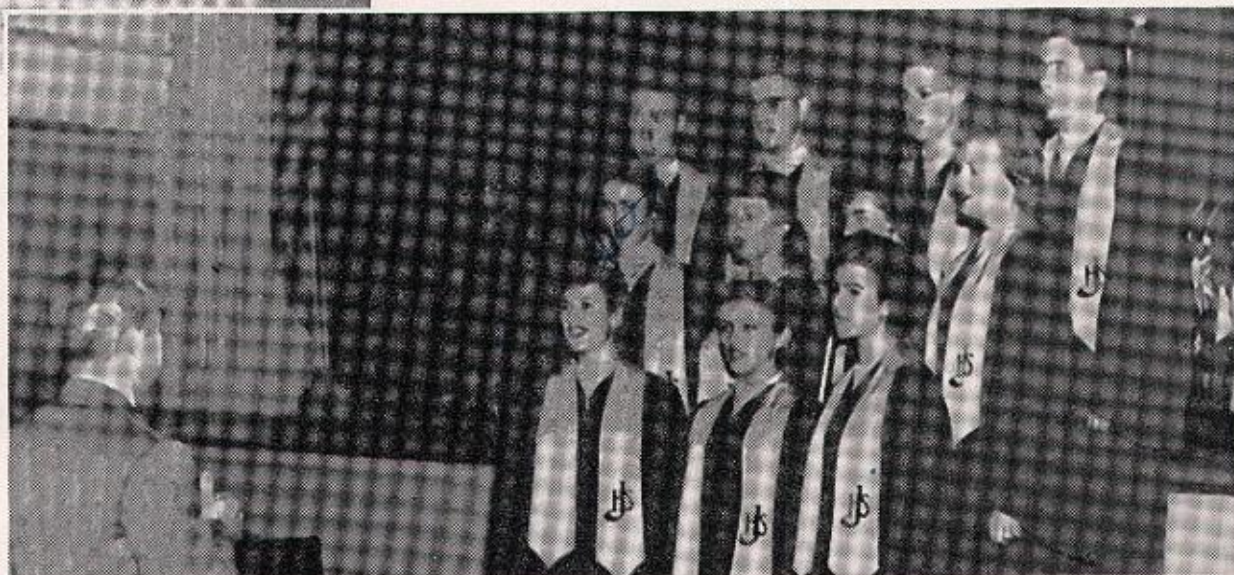

And the girls' glee provided a musical touch for Jefferson parents and friends. . . .

Like a radiator in the Sahara,
our Community Chest Ther-
mometer gushed over the top.

These seven candidates for Student Body President were
presented to the voters. There is no record as to whether they
kissed any babies.

Out of the mouths of babes . . . and boys came the golden tones of our ensemble.

Ted Hallock had the questions and more times than not, the Quiz 'Em On the Air team had the answers. These well-informed citizens, tutored by Miss Gilstrap, were the outstanding team in the city.

When two beautiful blondes get together, what do they talk about? Other blondes. These two are Darlene Kramer, given special mention elsewhere in this volume, and Gloria Krieger, of Jefferson and Hollywood. Glamorous Gloria was here for an assembly in the fall.

These six smiling citizens won Gold Keys in the Scholastic Art exhibition during spring term. Their artistic talent topped the state.

Jeff's S.B. Card Drive to End Soon

SB Card Entitles Jeffites to Many Special Activities

Now is the time for all good men—and girls—to come to the aid of their student body and buy a student body card.

With the turn of the semester and the election of new student body officers comes another semi-annual event—the student body card drive in Jefferson High School.

A student body card entitles you to many special activities. It gives you the right to vote in the student body election, to get into the student body ticket seller to see your favorite sports teams, to get into the student body dances, to get into the student body card holders' party. From the sale of the student body card your activities are supported. The Jeffersonian receives 55 cents out of every dollar paid for a student body card. The social program receives 10 cents, the Spectrum gets 10 cents, the athletic fund receives 10 cents, and the student body officers receive 10 cents.

The student body card is a must for every student. It is the key to many of the special activities that the student body has to offer. It is the only way to get into the student body ticket seller, to get into the student body dances, to get into the student body card holders' party, and to get into the student body election.

Jefferson's Quiz Team won an easy victory over the Roughriders to the 50 to 250 points. Yesterday battle the boys on their toes, and only three and a half minutes in to a battle of wits. Clark, Lyman, and Jim ...

The annual Junior Scholastic Art Exhibit is now being held at Meier & Frank. It will last through February 23. Of the 4500 entries received from Oregon students a record number of 1100 were selected for showing, 200 of which received a gold key award. Girls' Day received the greatest number of gold keys, followed by Grant and Jeff third.

The gold keys will be presented to the winners on Saturday, February 16, at 4:00 p.m. in the Meier & Frank auditorium.

FIRE DRILL
Time on last week's air was 2:45.3. According to King, the drills could be faster if it weren't for the end. He feels that on the whole the improving.

The delegates will leave with the students from all the other Portland schools on a chartered bus at 3:00 Friday morning. Friday night there will be a dance and mixer after the banquet to help students to get acquainted but Saturday there will be lectures, meetings, exhibits, and demonstrations to attend.

FOOTBALL

Jefferson's grid machine this year produced three all-city players and three honorable mentions. Max Anderson, who played offensive end, was placed at tackle on the first-string all-city team; Darrell Coulson, tackle, made the second team; Roger Williams, halfback made the second team and is one of only two members on the second team who have another season to play. Honorable mentions were Bruce Harding, end; Tack Goodell and Dick Gilbert, guards.

Of Jefferson's regulars only Bruce Harding will return in the line, with Roger Williams and Dallas Renfro in the backfield.

The Democrats this year were a spirited lot of fellows who didn't let down once during a game. They had the tough luck of facing the best teams one after the other at the first of the season. They improved greatly toward the season's end and felt that if given another chance they could beat any team in the league.

The Games:

In the pre-season game the Demos lost to Vancouver on their field 33 to 20.

Scoring—Hammerly 6, Anderson 6, Penn 6, Weibe 2.

Jeff drew Grant in the Jamboree and led 7 to 6 at the end of the first quarter, but lost the game by a 27 to 7 score.

Scoring—Pfeifer 6, Weibe 1.

A fired-up Jeff team came back to walk all over favored Washington 19 to 0. Playing his greatest game of the year, Dick Malget was voted "Player of the Week."

Scoring—Hammerly 6, Malget 6, Anderson 6, Weibe 1.

In losing to Roosevelt, who was favored to take the

city title, the Demos held them to their lowest scoring effort of the year. Final score was 13 to 0.

The Lincoln Cards taking advantage of the breaks thrown their way edged the Jeffmen 27 to 20. The game itself was voted the "Game of the year."

Scoring — Anderson 6, Hammerly 6, McKeen 6, Weibe 2.

Fighting mad by the loss to Lincoln the Demos bounced Cleveland 20 to 6 on the home field.

Scoring—Williams 6, Hammerly 12, Weibe 2.

Benson offered little opposition in falling 38 to 6. In winning this one every player on the Demo roster saw action.

Scoring—Hammerly 6, Burch 6, Kraft 6, Wingo 6, Williams 12, Weibe 2.

Franklin was rated to give the Jeffmen a close battle but when the dust had cleared the Quakers were beaten at the tune of 34 to 0.

Scoring—Williams 12, McKeen 6, Harding 6, Jackson 6, Weibe 3, Burch 1.

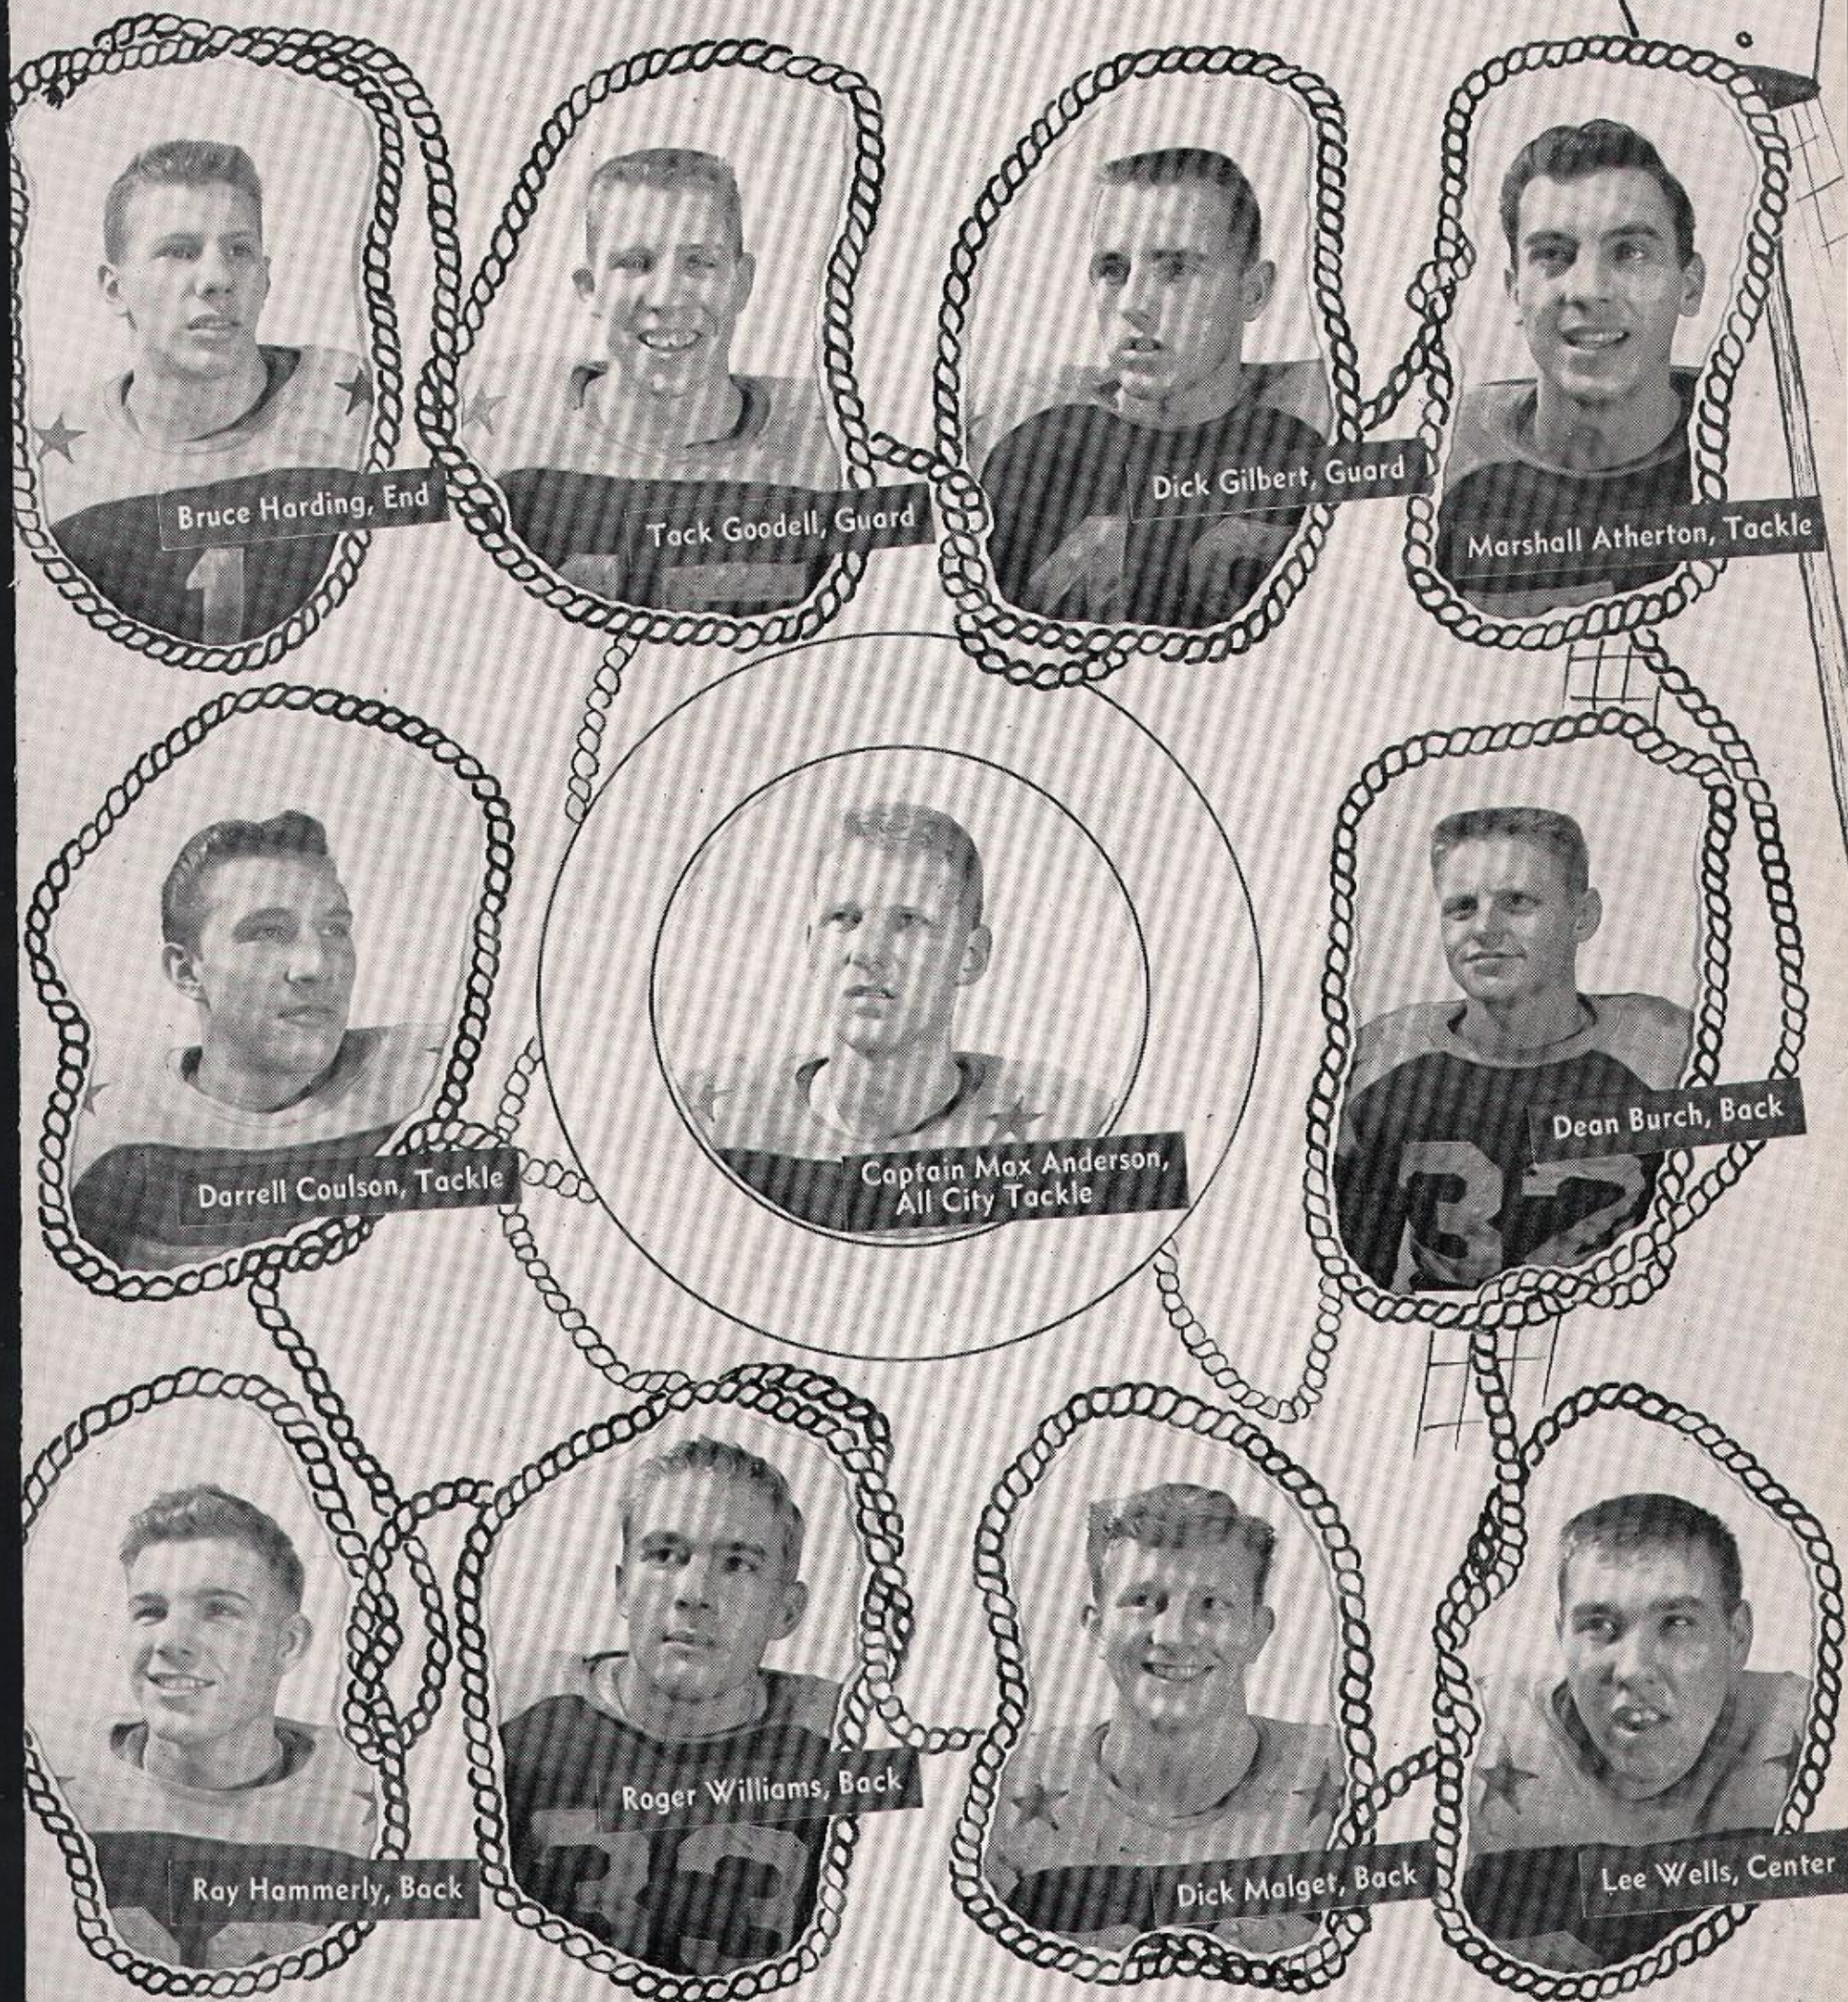

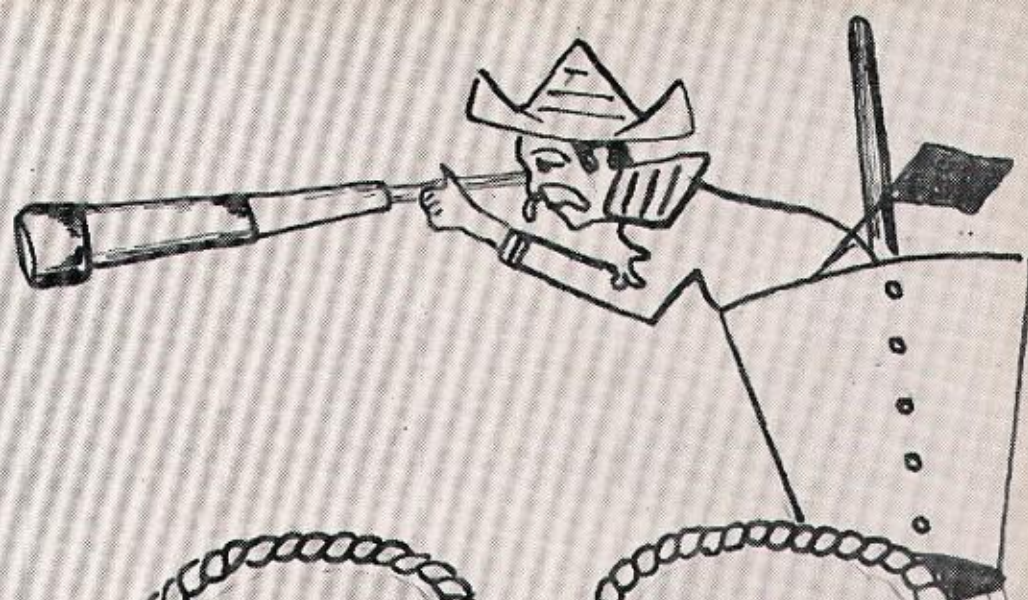

In a post-season game Jefferson again played Vancouver with both teams using only players who would be eligible next fall. Even without the services of stand-out halfback Roger Williams the Jeff locals downed the Trappers 27 to 6.

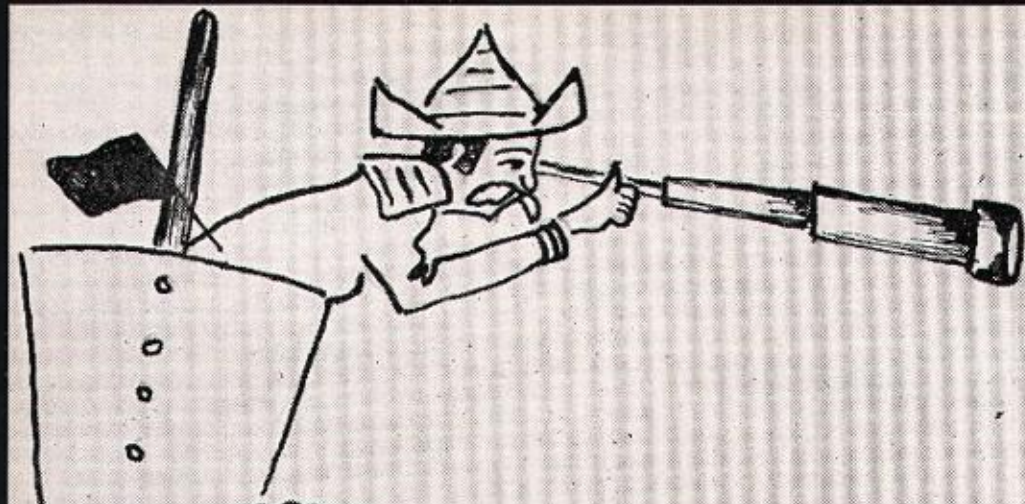

Scoring—McKeen 12, Renfro 6, Jackson 6, Weibe 3.

Jefferson ended the season in a three way tie for third place with Lincoln and Washington.

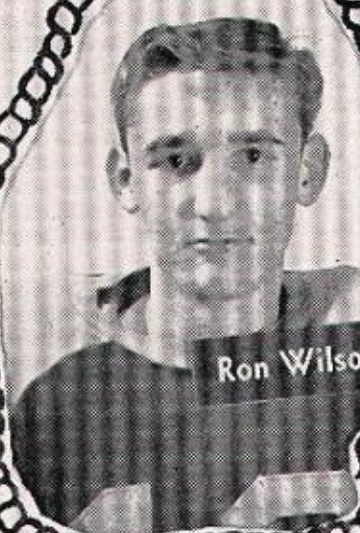

The Jayvee's this year compiled a 4 won, 3 lost, 1 tied record. The Frosh had a 2 won, 2 lost, 1 tied record.

Basketball

The Jefferson basketball team this year didn't fare as well as last year's squad which zoomed to tournament heights. Although they didn't come through as predicted they did fight their way to a third place finish after a hectic three game losing streak.

The Demos started the season on a four-four pre-season record, by beating Salem and Marshfield once each and Gresham twice, they also lost one to Salem, and to Marshfield and two to Central Catholic.

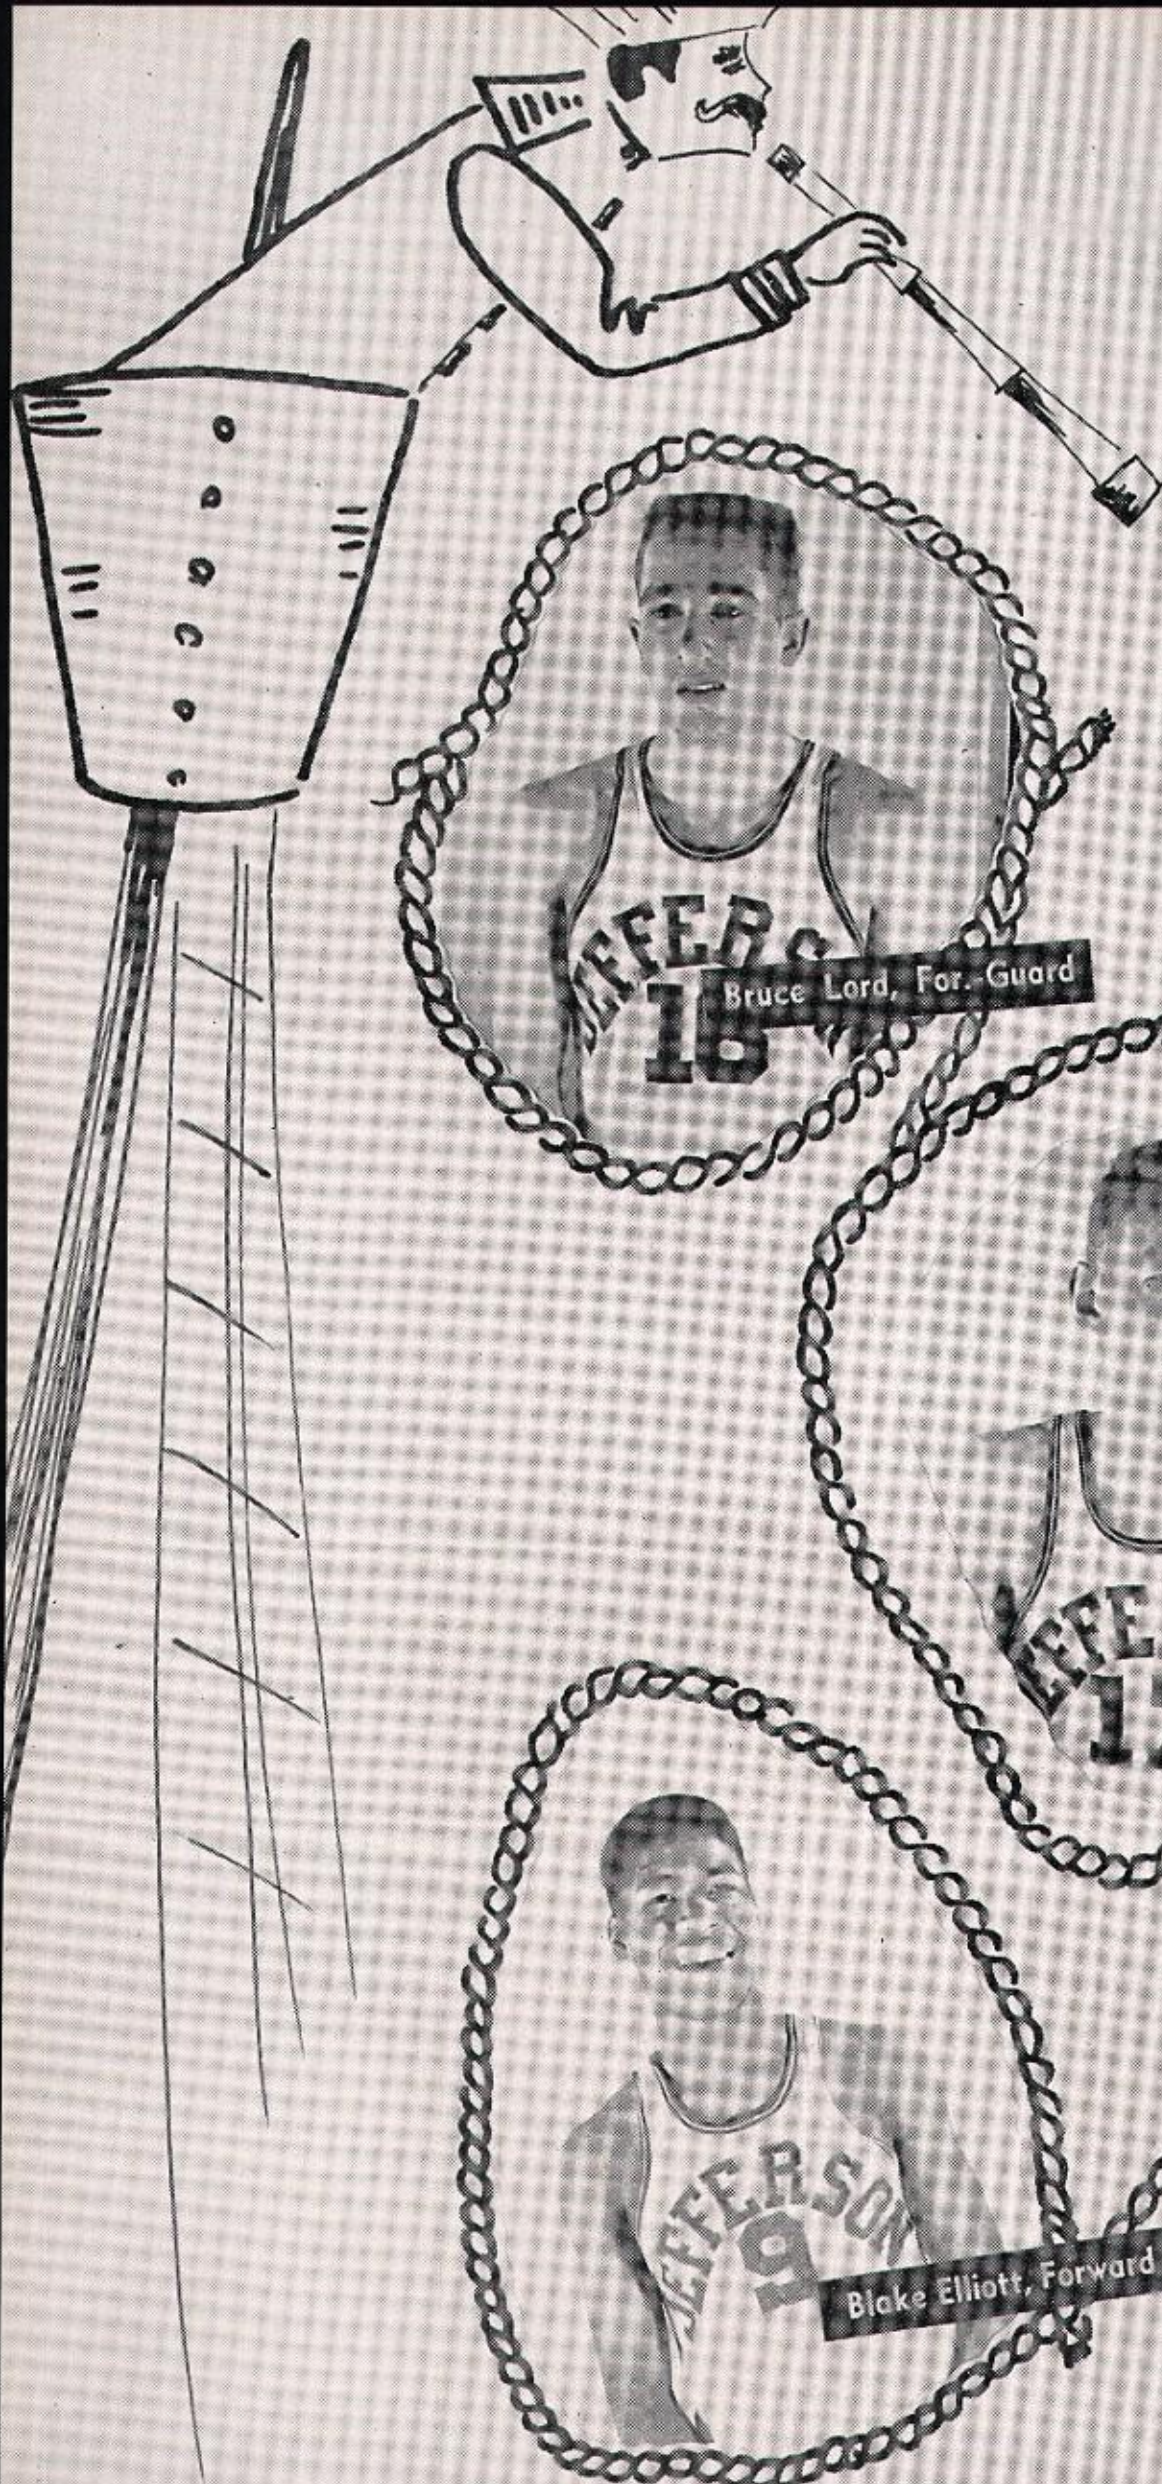

Jeff played Benson in the first league game, winning by a 57-39 score. But in the second game they took a 71-50 beating from Lincoln. Last year's All-Stater Max Anderson, saw limited action in this game due to a touch of the flu. As the season progressed the team gained in strength by avenging previous defeats by Roosevelt and Grant.

In league play only Cleveland and Lincoln were able to beat the Demos twice, the addition of Eddie Graves from the Jayvees aided the varsity in winning four out of their last six games of the season. Graves, a sophomore, also played varsity football.

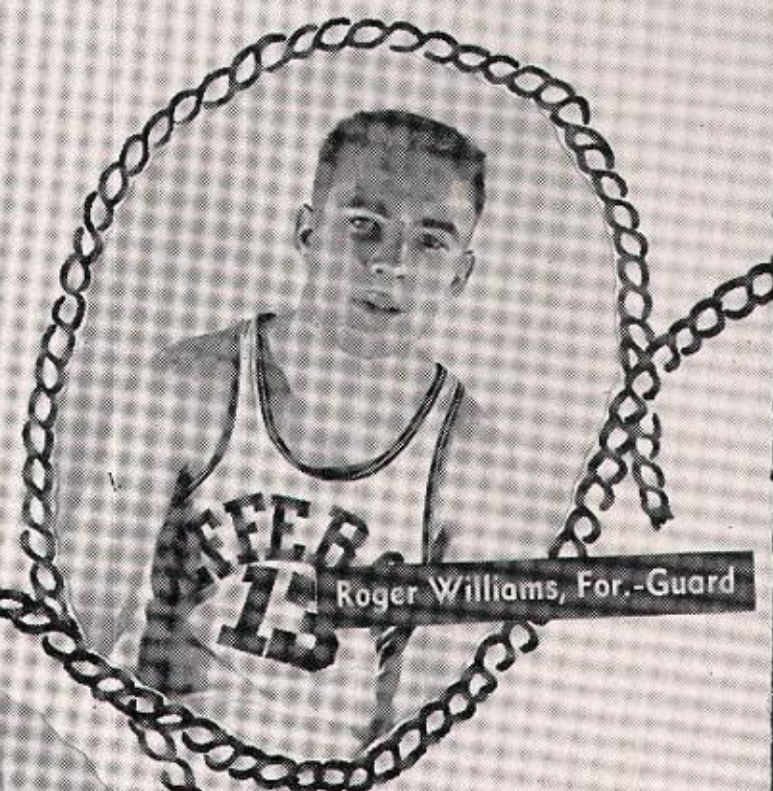

Max Anderson again repeated as an All-City performer, being placed on the first team by both the Oregonian and Journal newspapers. Big Max led the league in foul shots with 90, and was second to Halbrook in total points, scoring 240 with the average of 19 per game, Blake Elliott was placed on the second team by both papers. Blake scored 53 of his 193 total on foul shots, which placed him fourth behind Davis of Washington and Halbrook of Lincoln in the foul shot department.

The Junior Varsity coached by Tom DeSylvia, was second in its league with an 11-3 record. Two of these losses were to Roosevelt and the other one to Cleveland.

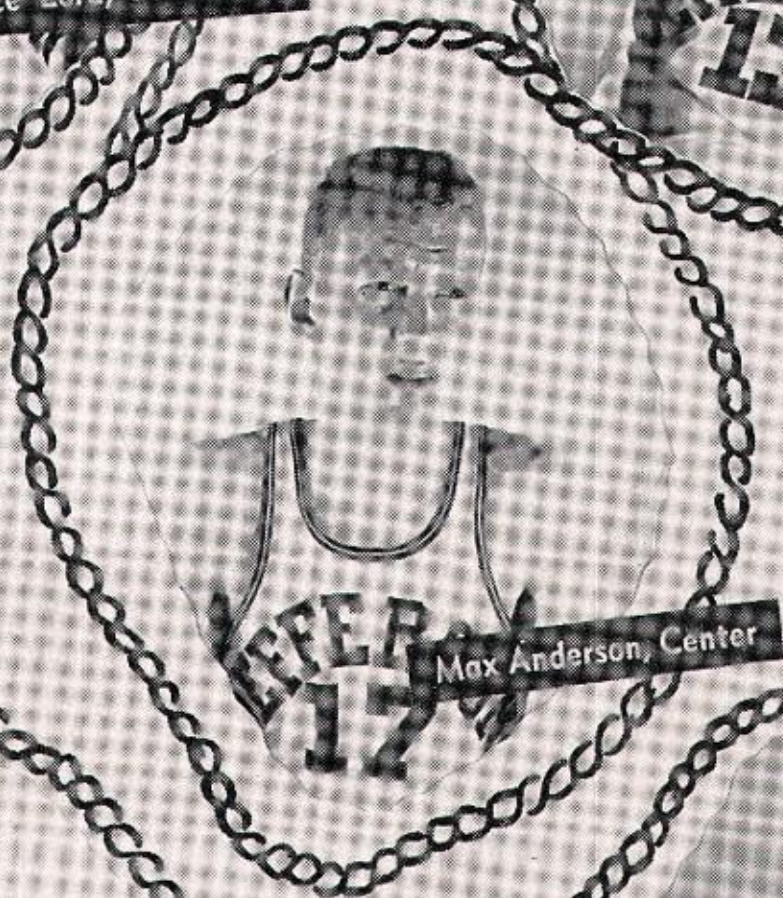

The Baby Demos, under coach Adraen Douglass, wound up the season in third place in their league, they had a record of 4 wins against 3 losses. The leading scorers were Ron Timmerman with 65, Bob Barrett with 50 and John Hepburn with 30.

TRACK

So far this year the Jeff track team has been in only three triangular meets, plus the city and state relays. The Demos placed second in the city meet behind Grant. The only first taken by Jeff was by the broad jump team which consisted of Dallas Renfro, Phil Clifford and Eddie Graves. Those who placed second were the 880 team (Bob Burback, Nathan Reddith, Dallas Renfro and John Eichorn), shuttle hurdles (Dallas Renfro, Doug Bashom, Bob Burback); two-mile (Richard Neal, Tom Gill, Dan Delano, Don Thom); high jump (Max Anderson, Don Savo, Tommy Voight); shot put (Mike Bogdan, Darrell Coulson, Dick Gilbert).

In competition at the state relays at Hayward Field in Eugene, Jefferson nosed out Salem for fourth place with 24 $\frac{1}{3}$ points to 24. The Waldorf-coached Jeffmen made their best showing in the broad jump, placing second and in the 440, placing third. They placed fifth in the 880, two-mile, high jump, shot put, and the pole vault.

The "B" and "C" track teams both took first place in the city relays and were especially strong in the sprints.

DAD'S CLUB

IN CAROLYN SJOLANDER'S MEMORY

*A little angel from above
Has been visiting our place.
She was so sweet, so full of love,
That comes with God's own grace.*

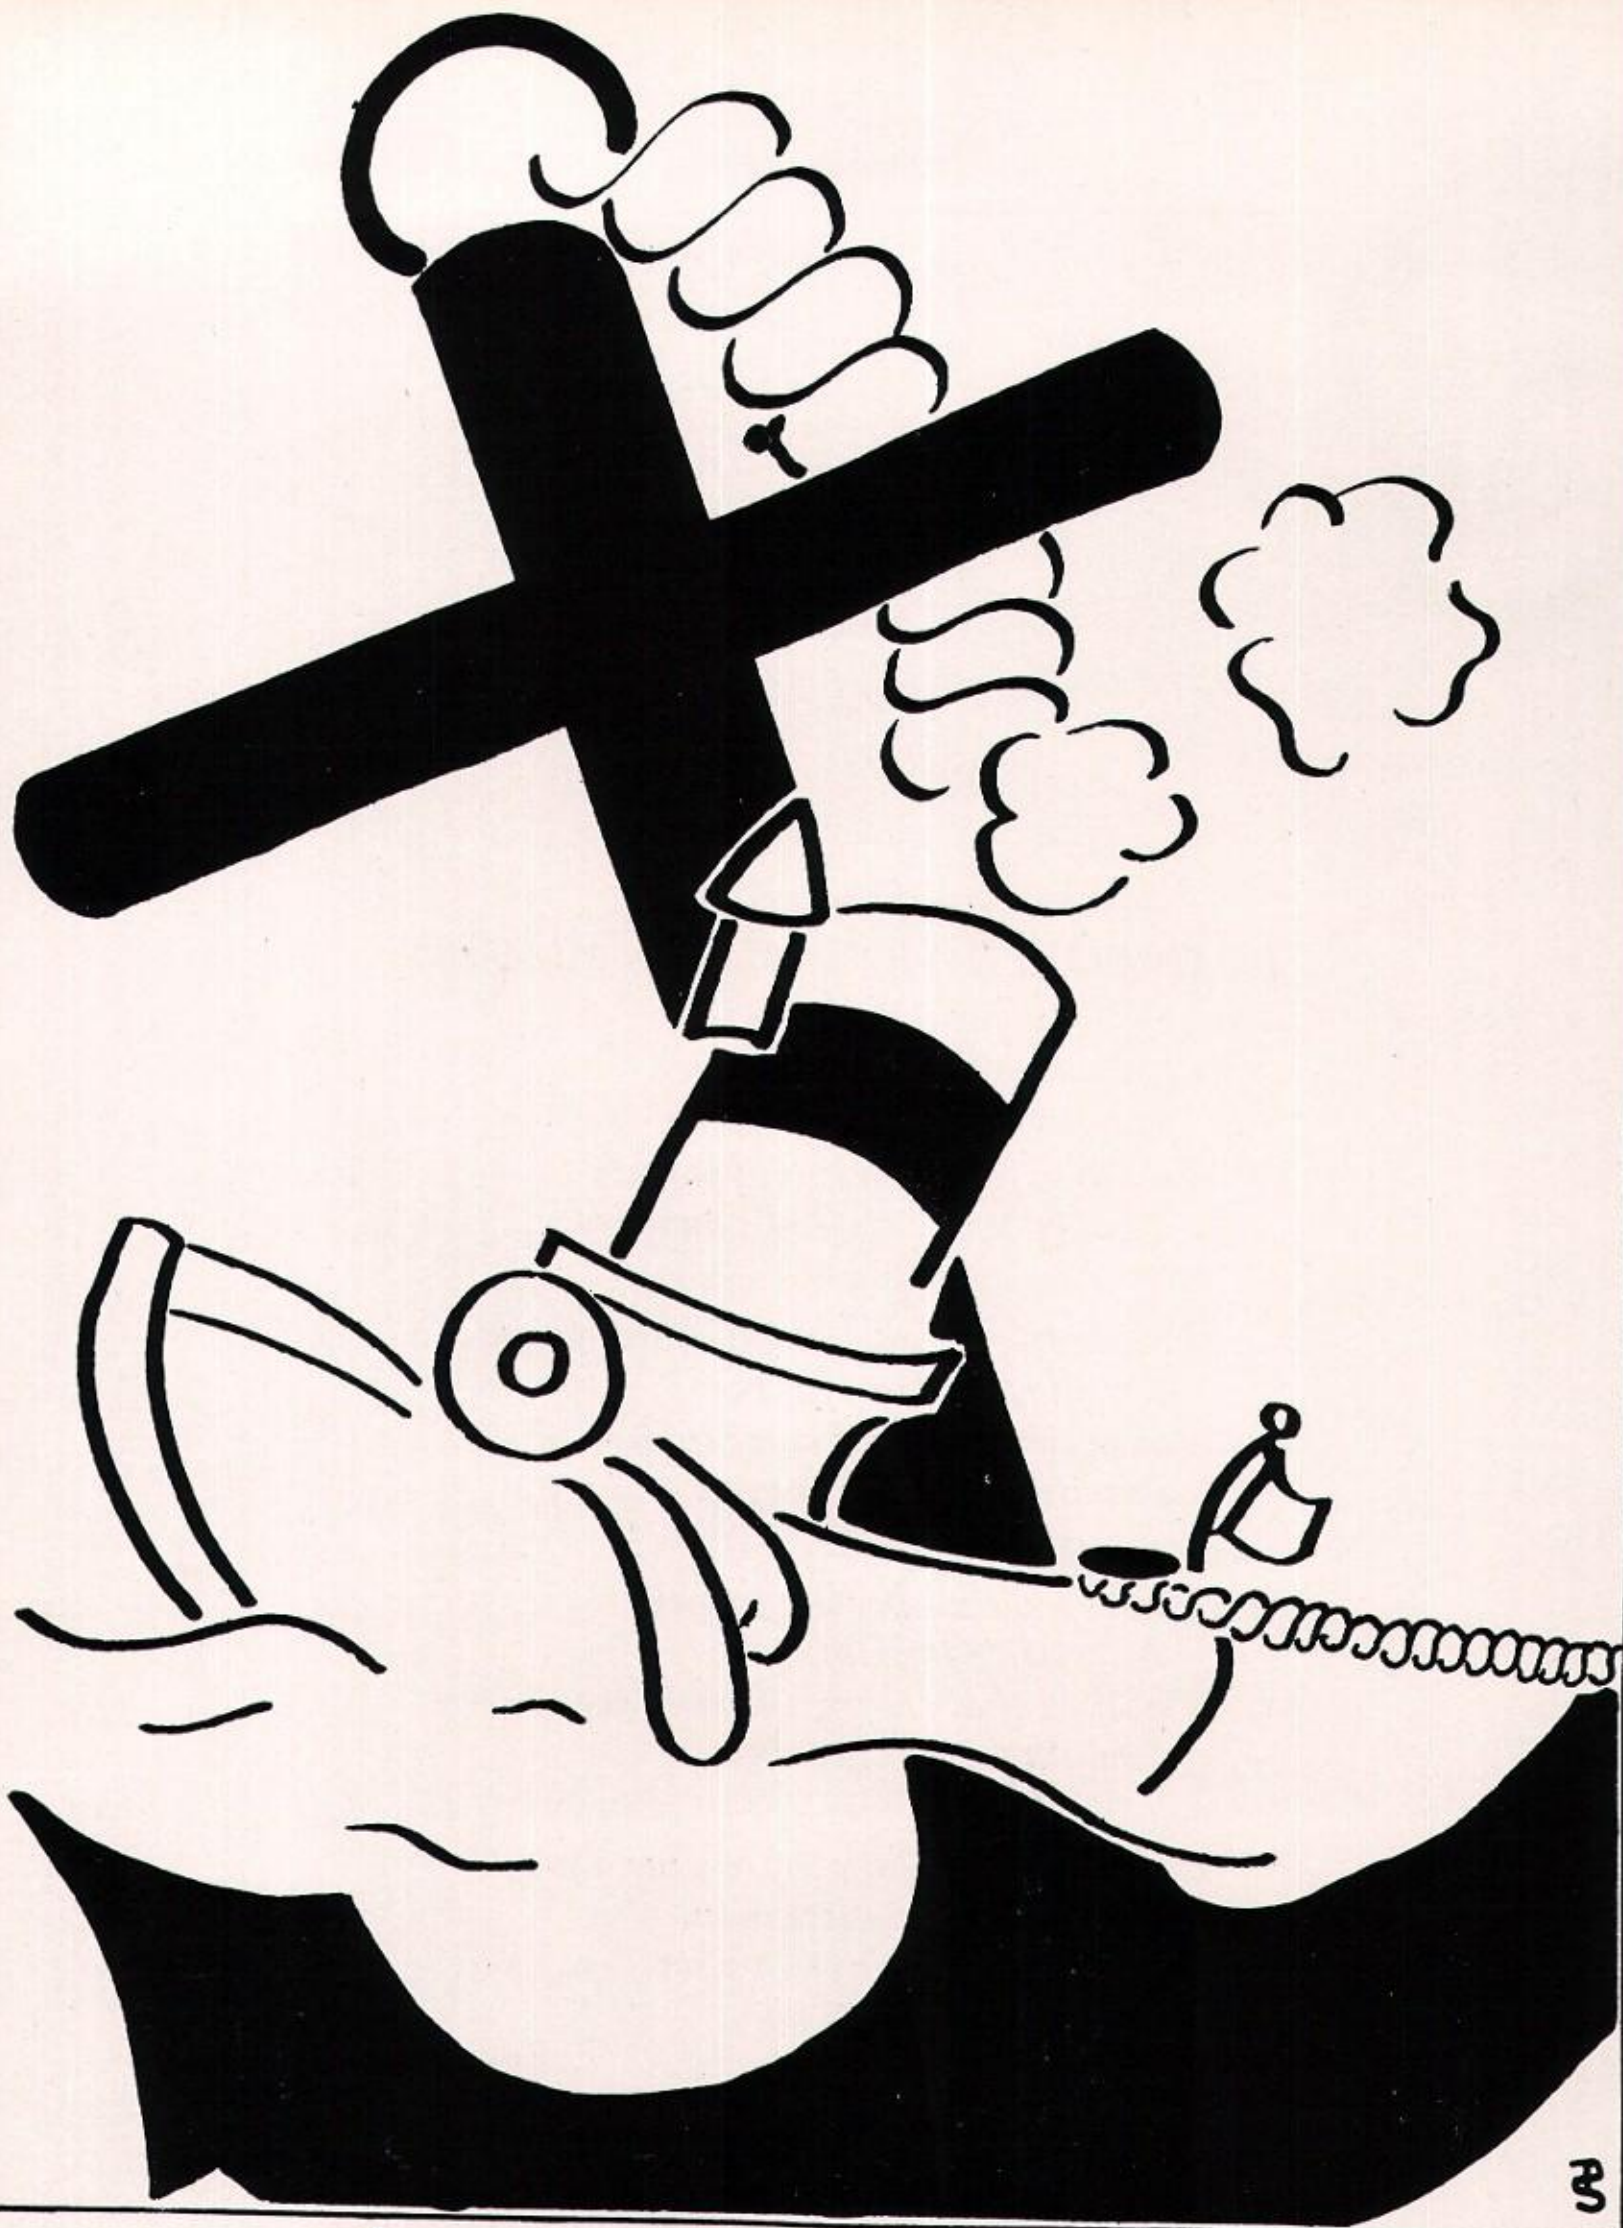

*She loved her Lord and gave Him praise
For all He'd done for her;
And never failed her voice to raise
In witnessing and prayer.*

*She only wished her life to give,
A sacrifice to Him
Who died that others still may live,
And sing with cherubim.*

*The praise and glory to the One
Who was for sinners slain,
And now the battle ere is won
Her life was not in vain.*

*Thanks to the Lord who gives us breath,
Thanks to the Lord who conquered death,
Thanks to the Lord who molds our will
To be obedient, silent, and still.*

Dear Students:

Thank you for having selected us as your official photographer. We have endeavored to justify your faith in us by doing our best to please you. We hope that you like us as well as we liked working for you.

In the future, when you have need for good photographs taken by a professional photographer, whether it be a portrait, special pictures for special events, a family group, or formals or candids when you are married, feel free to tell us your requirements. We have an especially fine service on wedding portraits.

We shall look forward to seeing you when you again need photographs taken by a professional photographer.

Let us again express our appreciation for the fine cooperation of the entire student body. It has made our work with you very pleasant.

Sincerely,

It's a privilege to know Sandra Riggers

FOR FATHERS ONLY

is membership in the

JEFF DADS CLUB

Those of us already in this club invite you to join us—if you, too, are fortunate enough to be the father (or male guardian) of a Jefferson student.

This is a friendly, informal club. Our rules are few and flexible. At the same time, the club is proud of its record for “getting things done” when called upon by students, faculty or the community.

The Jeff Dads Club is not affiliated with any other organization. Often, however, we’ve assisted other groups, but we glory in our own independence as a purely J.H.S. organization. First, last and always we’re for Jefferson, its students, teachers, parents and friends.

It is your right — and your duty — to share in this club’s fellowship, its work and fun. It will cost you only \$1 a year.

Come on, fellow Dad, and join us.

● MEETINGS

The Jeff Dads meet the fourth Tuesday of each month at 8 p.m. in the school. Meetings last about 1½ hours, followed by coffee-and-doughnuts and interesting bull sessions for Dads able to stay.

● HOW TO JOIN

Come to a meeting and sign up... or contact the club secretary... or send \$1 with your full name and address to the Live Wire Office at Jefferson high school.

● JOBS TO BE DONE

Dads able to participate actively in club endeavors may volunteer for work on these committees: Program. Membership. Telephone. Football and Track and Field Patrol. Annual Jeff Spring Musical. Publicity. Building and Modernization. Jeff Youth Center. Activities. Athletic Dinner. Scholarship. Counseling Job Placement. Student Dance. Uniforms.

Dear A.J. We really have had loads of fun these last five years and I hope our friendship will always continue. Keep up with your swimming because if Donny says you're good he ought to know. Loads of love to a real pal. Love - Sandra Riggers (Sandy)
